Oregon Gulch Fire (part of the Beaver Complex) – Siskiyou County

Event Summary

The Oregon Gulch Fire originated in the state of Oregon and crossed the border into California during the evening of July 31, 2014. It is near the community of Copco, Siskiyou County.

1) Activations

- Siskiyou County EOC is at Level 1.

2) FMAG (if appropriate)

- An FMAG has been approved by FEMA on 08/02/14. The FMAG number is 5068.

3) Proclamations

- Siskiyou County proclaimed a local emergency on 08/02/14.
- Governor proclaimed a state of emergency on 08/02/14.

4) State Assistance Requests

- No assistance requests at this time.

5) Inland Region Deployment

- No deployments at this time.

Critical Concerns

6) Access and Functional Needs

- We have verified with Red Cross and they are prepared to assist anyone who comes in with access and functional needs.

7) Critical Infrastructure (including Hospital and Medical Facilities)

- Even though the fire threat has reduced, as of 08/11/14 there is still concern regarding Fall Creek which is the source of the City of Yreka's water supply. Cal Fire has this as a significant infrastructure item for their planning purposes.
 - a. City of Yreka has a contingency plan in place. There is a generator on site, with a second one available if needed. The City can also pump from wells if necessary.
 - b. Cal Fire has prepped the area around the water intake station to assist with defense.

Emergency Management

8) Evacuations

- None reported.

9) Health and Medical

- No issues reported

10) Road Closures

- No issues reported

11) Schools

- No issues reported.

12) Shelters

- None reported.

13) Inland Region Missions

- Mission #:2014-IREOC-4568
Requestor: Siskiyou County
Resource: Portable E-BAM PM2.5 Smoke Monitors (4)
Status: 2 units deployed by 8/4/2014, 2 to be deployed 8/5/2014

14) Utilities

- PG&E reports no threats to their infrastructure.
- Per CAISO the grid is stable with ample surplus capacity to meet any demand.
- All communications networks, wireline and cellular are stable.

Recovery

15) Initial Damage Estimates and Preliminary Damage Information

- An Inland Region Emergency Services Coordinator is working with Siskiyou County on the IDE.
- An FMAG applicant briefing is scheduled for 08/27/14 at 1300 at 2486 Progress Drive, Redding.
